

## **CLUB PHILOSOPHY**

Shrivenham FC aims to provide an inclusive, progressive, sociable friendly environment for officials, players and supporters alike to enjoy. There is no one individual more important than another. We all develop by helping each other, this is the greatest lesson we can implement as individuals, as a club and as a community. The Club is focussed on supporting its young players to make the transition from junior to senior football.

## **FOOTBALL PHILOSOPHY**

Ball retention is the foundation of our football philosophy for both the individual player and the team. Players can expect to be challenged on all aspects of their game in line with the FA's 'Four Corner' coaching model.
